BACKGROUND

On April 9, 2026, United States Steel Corporation (Pittsburgh, Pennsylvania) and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union (Pittsburgh, Pennsylvania) filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of tin mill products from China and LTFV imports of tin mill products from China, Taiwan, and Turkey. Accordingly, effective April 9, 2026, the Commission instituted countervailing duty investigation No. 701-TA-792 and antidumping duty investigation Nos. 731-TA-1786-1788 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the *Federal Register* of April 14, 2026 (91 FR 19201). The Commission conducted its

conference on April 30, 2026. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§ 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on May 26, 2026. The views of the Commission are contained in USITC Publication 5745 (June 2026), entitled *Tin Mill Products from China, Taiwan, and Turkey: Investigation Nos. 701-TA-792 and 731-TA-1786-1788 (Preliminary)*.
