**SUPPLEMENTARY INFORMATION:** Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the *Federal Register* concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment.

*Information Collection*

*Type of Information Collection Request:* Extension of a currently approved collection;

*Title of Information Collection:* Physician Certifications/Recertifications in Skilled Nursing Facilities Manual Instruction;

*Use:* Section 1814(a) of the Social Security Act (the Act) requires specific certifications in order for Medicare payments to be made for certain services. Before the enactment of the Omnibus Budget Reconciliation Act of 1989 (OBRA1989, Pub. L. 101-239), section 1814(a)(2) of the Act required that, in the case of posthospital extended care services, a physician certify that the services are or were required to be given because the individual needs or needed, on a daily basis, skilled nursing care (provided directly by or requiring the supervision of skilled

nursing personnel) or other skilled rehabilitation services that, as a practical matter, can only be provided in a SNF on an inpatient basis.

The Medicare program requires, as a condition for Medicare Part A payment for posthospital skilled nursing facility (SNF) services, that a physician or other authorized practitioner must certify and periodically recertify that a beneficiary requires an SNF level of care. The physician certification and recertification is intended to ensure that the beneficiary's need for services has been established and then reviewed and updated at appropriate intervals. The documentation is a condition for Medicare Part A payment for post-hospital SNF care.

*Form Number:* CMS-R-5 (OMB control number 0938-0454);

*Frequency:* Occasionally;

*Affected Public:* Private Sector (Business or other for-profits);

*Number of Respondents:* 3,882,413;

*Number of Responses:* 3,882,413;

*Total Annual Hours:* 480,957. (For policy questions regarding this collection contact Patricia Taft at 410-786-4561).
