SUPPLEMENTARY INFORMATION:

Background

On April 10, 2024, Commerce published its *Final Results* in the 2021-2022 administrative review of the AD order on steel racks from China.¹ In the *Final Results*, Commerce rejected Dongsheng's separate rate certification (SRC) as untimely, decided not to select Dongsheng as a mandatory respondent, and relied on facts available with adverse inferences in assigning the China-wide entity AD rate to Dongsheng.²

Dongsheng appealed Commerce's *Final Results*. On June 16, 2025, the CIT remanded the *Final Results*, finding that Commerce's decision not to consider Dongsheng as a mandatory respondent because it untimely filed its SRC was not in accordance with law.³

In its final remand redetermination, issued in February 2026, Commerce treated Dongsheng as a mandatory respondent, granted it a separate rate, examined its submitted sales and factors of production information, and calculated a weighted-average dumping margin of 25.00 percent for Dongsheng.⁴ The CIT sustained Commerce's final redetermination.⁵

Timken Notice

In its decision in *Timken*,⁶ as clarified by *Diamond Sawblades*,⁷ the U.S. Court of Appeals for the Federal Circuit held that, pursuant to sections 516A(c) and (e) of the Tariff Act of 1930, as amended (the Act), Commerce must publish a notice of court decision that is not "in harmony" with a Commerce determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's June 23, 2026, judgment constitutes a final decision of

Amended Final Results

Because there is now a final court judgment, Commerce is amending its *Final Results* with respect to Dongsheng as follows:

Producer/Exporter	Weighted-Average Dumping Margin (percent)
Nanjing Dongsheng Shelf Manufacturing Co., Ltd.	25.00

Cash Deposit Requirements

Because Dongsheng has a superseding cash deposit rate, *i.e.*, there have been final results published in a subsequent administrative review, we will not issue revised cash deposit instructions to CBP. This notice will not affect the current cash deposit rate.

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from liquidating entries that: were exported by Dongsheng, and were entered, or withdrawn from warehouse, for consumption during the period September 1, 2021, through August 31, 2022. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT's ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise exported by Dongsheng in accordance with 19 CFR 351.212(b). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate is not zero or *de minimis*. Where an import-specific *ad valorem* assessment rate is zero or *de minimis*,⁸ we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

⁸ See 19 CFR 351.106(c)(2).
