Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Grazing Management: Range Improvement Agreements and Permits Materials

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the Bureau of Land Management (BLM) is requesting to extend an approved information collection.

DATES: Interested persons are invited to submit comments on or before **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE *FEDERAL REGISTER*]**.

ADDRESSES: Written comments and recommendations for this information collection request (ICR) should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review - Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Jessica Phillips by email at jmphillips@blm.gov, or by telephone

at (406) 490-5654. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the PRA and 5 CFR 1320.8(d)(1), we invite the public and other Federal agencies to comment on new, proposed, revised and continuing collections of information. This helps the BLM assess impacts of its information collection requirements and minimize the public's reporting burden. It also helps the public understand BLM information collection requirements and ensure requested data is provided in the desired format.

A *Federal Register* notice with a 60-day public comment period soliciting comments on this collection of information was published on March 19, 2026 (91 FR 13324). No comments were received in response to that notice.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again inviting the public and other Federal agencies to comment on the proposed ICR described below. The BLM is especially interested in public comments addressing the following:

- (1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.
- (2) The accuracy of our estimate of the burden for this collection of information,

including the validity of the methodology and assumptions used.

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How the agency could minimize the burden of the information collection on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personally identifiable information in your comment, you should be aware that your entire comment—including your personally identifiable information—may be made publicly available at any time. While you can ask us in your comment to withhold your personally identifiable information from public review, we cannot guarantee that we will be able to do so.

Abstract: OMB Control Number 1004–0019 covers the information collections concerning range improvements to improve livestock grazing management, improve watershed conditions, enhance wildlife habitat on BLM lands, or serve similar purposes. Under 43 CFR 4120.3-1(b), the BLM requires that an operator enter into a Cooperative Range Improvement Agreement, or obtain a Range Improvement Permit, before installing, using, maintaining, and/or modifying a range improvement. The BLM uses Form 4120-6, Cooperative Range Improvement Agreement, to document cooperative range improvement construction arrangements with grazing operators. This OMB control

number is currently scheduled to expire on August 31, 2026. The BLM request that OMB renew this OMB control number for an additional three (3) years.

Title of Collection: Grazing Management: Range Improvements Agreements and Permits (43 CFR Subpart 4120).

OMB Control Number: 1004-0019.

Form Numbers: 4120–6, Cooperative Range Improvement Agreement; and 4120–7, Range Improvement Permit.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Holders of BLM grazing permits or grazing leases.

Total Estimated Number of Annual Respondents: 530.

Total Estimated Number of Annual Responses: 530.

Estimated Completion Time per Response: Varies from 1 to 2 hours per response.

Total Estimated Number of Annual Burden Hours: 1,060.

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: On occasion.

Total Estimated Annual Non-hour Burden Cost: \$0.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.).

Darrin King,

Information Collection Clearance Officer
