

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

[Docket No. FDA-2026-N-4699]

Expedited Investigational New Drug Pilot Program; Request for Information;

Extension of the Comment Period

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice; request for information; establishment of a public docket; extension of the comment period.

SUMMARY: The Food and Drug Administration (FDA or the Agency) is extending the comment period for the notice that appeared in the *Federal Register* of June 24, 2026, to open a public docket to solicit input and comments on a proposal to establish a pilot program, the Expedited Investigational New Drug (IND) pilot program, to shorten the time it takes from drug identification to first-in-human (FIH) study, while protecting clinical trial participants.

DATES: FDA is extending the comment period on the notice published on June 24, 2026 (91 FR 37996). Either electronic or written comments, data, or information must be received by August 24, 2026.

ADDRESSES: You may submit comments, data, and information as follows. Please note that late, untimely filed comments will not be considered. The <https://www.regulations.gov> electronic filing system will accept comments until 11:59 p.m. Eastern Time at the end of August 24, 2026. Comments received by mail/hand delivery/courier (for written/paper submissions) will be considered timely if they are received on or before that date.

Electronic Submissions

Submit electronic comments in the following way:

- Federal eRulemaking Portal: <https://www.regulations.gov>. Follow the instructions for submitting comments. Comments submitted electronically, including attachments, to <https://www.regulations.gov> will be posted to the docket unchanged. Because your comment will be made public, you are solely responsible for ensuring that your comment does not include any confidential information that you or a third party may not wish to be posted, such as medical information, your or anyone else's Social Security number, or confidential business information, such as a manufacturing process. Please note that if you include your name, contact information, or other information that identifies you in the body of your comments, that information will be posted on <https://www.regulations.gov>.
- If you want to submit a comment with confidential information that you do not wish to be made available to the public, submit the comment as a written/paper submission and in the manner detailed (see "Written/Paper Submissions" and "Instructions").

Written/Paper Submissions

Submit written/paper submissions as follows:

- Mail/Hand delivery/Courier (for written/paper submissions): Dockets Management Staff (HFA-305), Food and Drug Administration, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852.
- For written/paper comments submitted to the Dockets Management Staff, FDA will post your comment, as well as any attachments, except for information submitted, marked and identified, as confidential, if submitted as detailed in "Instructions."

Instructions: All submissions received must include Docket No. FDA-2026-N-4699 for "Expedited Investigational New Drug Pilot Program; Request for Information."

Received comments, those filed in a timely manner (see ADDRESSES), will be placed in the docket and, except for those submitted as “Confidential Submissions,” publicly viewable at <https://www.regulations.gov> or at the Dockets Management Staff between 9 a.m. and 4 p.m., Monday through Friday, 240-402-7500.

Confidential Submissions--To submit a comment with confidential information that you do not wish to be made publicly available, submit your comments only as a written/paper submission. You should submit two copies total. One copy will include the information you claim to be confidential with a heading or cover note that states “THIS DOCUMENT CONTAINS CONFIDENTIAL INFORMATION.” The Agency will review this copy, including the claimed confidential information, in its consideration of comments. The second copy, which will have the claimed confidential information redacted/blacked out, will be available for public viewing and posted on <https://www.regulations.gov>. Submit both copies to the Dockets Management Staff. If you do not wish your name and contact information to be made publicly available, you can provide this information on the cover sheet and not in the body of your comments and you must identify this information as “confidential.” Any information marked as “confidential” will not be disclosed except in accordance with 21 CFR 10.20 and other applicable disclosure law. For more information about FDA’s posting of comments to public dockets, see 80 FR 56469, September 18, 2015, or access the information at: <https://www.govinfo.gov/content/pkg/FR-2015-09-18/pdf/2015-23389.pdf>.

Docket: For access to the docket to read background documents or the electronic and written/paper comments received, go to <https://www.regulations.gov> and insert the docket number, found in brackets in the heading of this document, into the “Search” box and follow the prompts and/or go to the Dockets Management Staff, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852, 240-402-7500.

FOR FURTHER INFORMATION CONTACT: Benjamin Cook, Office of the

Commissioner, Food and Drug Administration, 10903 New Hampshire Ave., Bldg.
2, Rm. 2114, Silver Spring, MD 20993-0002, 240-338-4685,
ExpeditedINDPilot@fda.hhs.gov.

SUPPLEMENTARY INFORMATION: In the *Federal Register* of June 24, 2026 (91 FR 37996), FDA published a notice to open a public docket to solicit input and comments on a proposal to establish a pilot program, the Expedited IND pilot program, to shorten the time it takes from drug identification to FIH study, while protecting clinical trial participants. FDA is extending the comment period until August 24, 2026. The Agency is taking this action to allow interested persons additional time to submit comments.

Grace R. Graham,

Deputy Commissioner for Policy, Legislation, and International Affairs.
