SUPPLEMENTARY INFORMATION:

Background

On April 6, 2026, Commerce published the preliminary results of this administrative review of the AD order on polyethylene retail carrier bags from China in the *Federal Register* and invited interested parties to comment.¹ We received no comments from interested parties on the *Preliminary Results* and have made no changes to the *Preliminary Results*. Accordingly, no decision memorandum accompanies this *Federal Register* notice and the *Preliminary Results* are

hereby adopted in these final results. Commerce conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

*Scope of the Order*²

The merchandise subject to the *Order* is polyethylene retail carrier bags from China. For a complete description of the scope of the *Order*, see the *Preliminary Results*.³

China-Wide Entity

As stated in the *Preliminary Results*, because no party requested a review of the China-wide entity in this review, the China-wide entity is not under review and the China-wide entity's rate, *i.e.*, 77.57 percent, is not subject to change.⁴

Disclosure

Normally, Commerce discloses to interested parties the calculations of the final results of an administrative review within five days of a public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the *Federal Register*, in accordance with 19 CFR 351.224(b). However, because we have made no changes to the *Preliminary Results*, there are no calculations to disclose.

Assessment Rates

Consistent with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within

90 days of publication).

We have not calculated any assessment rates in this administrative review. As Commerce continues to find that Crown is part of the China-wide entity, we will instruct CBP to assess any suspended entries of subject merchandise associated with Crown at the China-wide rate, *i.e.*, 77.57 percent.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided in section 751(a)(2)(C) of the Act: (1) for previously investigated or reviewed Chinese and non-Chinese exporters that are not under review in this segment of the proceeding but have separate rates, the cash deposit rate will continue to be the exporter's existing cash deposit rate; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the existing rate for the China-wide entity, *i.e.*, 77.57 percent; and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice also serves as a final reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

These final results are issued and published in accordance with sections 751(a)(1)(B) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).
