

EXECUTIVE ORDER
14418

- - - - -

CONTINUING TO PROTECT THE MEANING AND
VALUE OF AMERICAN CITIZENSHIP

By the authority vested in me as President by the
Constitution and the laws of the United States of America,
it is hereby ordered:

Section 1. Purpose. The privilege of United States
citizenship remains a priceless and profound gift. Since my
first day in office, my Administration has guarded against the
risks posed by malign foreign actors who attempt to swindle
American citizens by taking advantage of the generosity of
our Nation.

On June 30, 2026, the Supreme Court decided in *Trump v. Barbara*, 609 U.S. ___, 146 S. Ct. 2438, 2449 (2026), that the
Citizenship Clause of the Fourteenth Amendment to the United
States Constitution extends the privilege of citizenship to
children born to parents in the United States "for whom no
extraterritorial fiction applie[s]." This order identifies,
non-exhaustively, and prescribes action concerning certain
categories of children of aliens who do not fall within the rule
of birthright citizenship as announced by the Supreme Court.

Sec. 2. Policy. It is the policy of the United States
that no executive department or agency shall issue documents
recognizing United States citizenship to, or accept documents
issued by State, local, or other governments or authorities
purporting to recognize United States citizenship regarding,
persons when neither parent of that person is a citizen and
any of the following applies:

(a) either parent of that person is an alien enemy,
defined to include any member of a designated Foreign Terrorist

Organization under 8 U.S.C. 1189 or Specially Designated Global Terrorist, consistent with the International Emergency Economic Powers Act, 50 U.S.C. 1701 *et seq.*, and Executive Order 13224 of September 23, 2001 (Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism), as amended;

(b) either parent of that person is a foreign government employee, defined to include:

- (i) ambassadors;
- (ii) persons employed by a foreign embassy or consulate who are nationals of that foreign country;
- (iii) persons employed by a foreign government in an official capacity; and
- (iv) persons employed by an international organization that possess international-organization immunity;

(c) either parent of that person engaged in a commercial transaction to purchase or access birthright citizenship for the person, or engaged in fraudulent activity to obtain citizenship, to include:

- (i) when the parent(s) of the person engage in a commercial transaction to ensure that the person's mother is present in the United States, or a territory of the United States, to give birth; or
- (ii) when the parent(s) engage in a commercial transaction with a surrogate present in the United States, or a territory of the United States, to give birth;

(d) the person is born in a territory or territorial waters of the United States where citizenship is not conferred by Federal statute.

Sec. 3. Enforcement. (a) The Secretary of State, the Attorney General, the Secretary of Homeland Security, and the Commissioner of Social Security shall take all appropriate measures to ensure that the regulations and policies of their respective departments and agencies are consistent with this order, and that no officers, employees, or agents of their respective departments and agencies act, or forbear from acting, in any manner inconsistent with this order.

(b) The heads of all executive departments and agencies shall issue public guidance within 30 days of the date of this order regarding this order's implementation with respect to their operations and activities.

Sec. 4. Severability. If any provision of this order, or the application of any provision to any individual or circumstance, is held to be invalid, the remainder of this order and the application of its other provisions to any other individuals or circumstances shall not be affected thereby.

Sec. 5. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

- (i) the authority granted by law to an executive department or agency, or the head thereof; or
- (ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its

departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) The costs for publication of this order shall be borne by the Department of Justice.
