The location for the North Anna ESP site is in Louisa County, Virginia, and the current ESP-003 expires on November 27, 2027.

SUPPLEMENTARY INFORMATION:

I. Discussion

On July 14, 2026, Virginia Electric and Power Company, dba Dominion Energy Virginia (Dominion), filed with the NRC, pursuant to Section 103 of the Atomic Energy Act of 1954, as amended, and part 52 of title 10 of the *Code of Federal Regulations* (10 CFR), “Licenses, Certifications, and Approvals for Nuclear Power Plants,” an application to request that the NRC renew ESP-003 for an additional 20 years beyond the current November 27, 2027, expiration date or from the date of issuance, whichever is later.

In accordance with subpart A of 10 CFR part 52, an applicant may seek an ESP separate from the filing of an application for a CP or COL. The ESP process allows resolution of issues relating to siting. Renewal of ESP-003 would allow for the licensee to reference the ESP in a CP or COL application for an additional 20-year period beyond the period specified in ESP-003 or from the date of issuance, whichever is later. If an application for a CP or COL references an ESP, the Commission shall treat as resolved those matters resolved in the proceeding on the application for issuance or renewal of

the ESP, except as provided for in paragraphs (b), (c), and (d) of 10 CFR 52.39.

In the case of the North Anna site, Dominion holds COL NPF-103 for a reactor designated as North Anna, Unit 3. In the renewal application for ESP-003, Dominion notified the NRC of its decision to place COL NPF-103 in deferred status. Dominion also included in its renewal application for ESP-003 a request for an exemption from the subsumption requirements of 10 CFR 52.26(d), “Duration of permit,” to provide for the renewal of the ESP in its entirety, rather than renewal of only the portions of ESP-003 not subsumed into NPF-103.

II. Further Information

The NRC will publish subsequent *Federal Register* notices addressing the acceptability of the tendered ESP renewal application for docketing and provisions for participation of the public in the ESP renewal process.
