The complaint alleged violations of section 337 based on the importation into the United States, the sale for importation, or the sale within the United States after importation of certain video-capable electronic devices, including smart televisions, monitors, and components thereof by reason of the infringement of certain claims of U.S. Patent No. 8,085,846 (the '846 patent"); U.S.

On July 10, 2026, non-party Dolby Laboratories, Inc. ("Dolby") filed a motion pursuant to Commission Rule 210.19, 19 CFR 210.19, to intervene as an intervenor with full participation rights as to the '168 and '751 patents. On July 22, 2026, Complainants filed an opposition to the motion. Dolby filed a reply in support of its motion on July 27, 2026. While no other responses were received, Dolby certifies that the Respondents do not oppose the motion.

On August 12, 2026, the ALJ issued the subject ID (Order No. 17) granting Dolby's motion. The ALJ has determined that Dolby should be granted intervenor status in this investigation, but not status as a respondent. The ID states that Dolby's participation in this investigation should begin with the issuance of the subject ID and that Dolby may participate as an intervenor, including with respect to all claims and defenses at issue in the investigation regarding the '168 and '751 patents. No petitions for review were filed.

The Commission has determined not to review the subject ID. The Commission vote for this determination took place on September 9, 2026.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.

Issued: September 9, 2026.

Lisa Barton,

Secretary to the Commission.
