DISCUSSION OF PROPOSED DEMONSTRATION PROJECT:

State of Nevada Demonstration Project Request

The State of Nevada requested to conduct a demonstration project to amend the SNAP definition of food for purchase to exclude "candy" and "sugar sweetened beverages". The State formally requested to conduct this project on or about February 6, 2026. On or about April 13, 2026, the State requested to modify the project request to clarify "the definition of candy to reflect current retailer understanding and remove specific brand names". The State requested to implement the project on February 1, 2028. The State's project request and the subsequent modification request can be found in the supporting document section and on the FNA website at the following address: <https://www.fna.usda.gov/snap/waivers/foodrestriction/nevada>.
