The clause at DFARS 252.247-7000, Hardship Conditions, is prescribed at DFARS 247.270-4(a) for use in all solicitations and contracts for the acquisition of stevedoring services. Paragraph (a) of the clause requires the contractor to notify the contracting officer of unusual conditions associated with loading or unloading a particular cargo, for potential adjustment of contract labor rates; and to submit any associated request for price adjustment to the contracting officer within 10 working days of the vessel sailing time.

The clause at DFARS 252.247-7002, Revision of Prices, is prescribed at DFARS 247.270-4(b) for use in solicitations and contracts when using negotiation to acquire stevedoring services. Paragraph (c) of the clause provides that, at any time, either the contracting officer or the contractor may deliver to the other a written demand that the parties negotiate to revise the prices under the contract. Paragraph (d) of the clause requires that, if either party makes such a demand, the contractor must submit relevant data upon which to base negotiations.

The clause at DFARS 252.247-7007, Liability and Insurance, is prescribed at DFARS 247.270-4(c) for use in all solicitations and contracts for the acquisition of stevedoring services. Paragraph (f) of the clause requires

the contractor to furnish the contracting officer with satisfactory evidence of insurance.

The clause at DFARS 252.247-7023, Transportation of Supplies by Sea, is prescribed at DFARS 247.574(b) for use in all solicitations and contracts except those for direct purchase of ocean transportation services. Paragraph (b) of the clause requires the contractor to notify the Government of its intent to transport supplies by sea in the performance of the contract. Paragraph (e) of the clause requires the contractor to submit any requests for use of other than U.S.-flag vessels in writing to the contracting officer. Paragraph (f) of the clause requires the contractor to submit one copy of the rated on board vessel operating carrier's ocean bill of landing. Paragraph (g) of the clause, if the contract exceeds the simplified acquisition threshold, requires the contractor to represent, with its final invoice, that: (1) no ocean transportation was used in the performance of the contract; (2) only U.S.-flag vessels were used for all ocean shipments under the contract; (3) the contractor had the written consent of the contracting officer for all non-U.S.-flag ocean transportation; or (4) shipments were made on non-U.S.-flag vessels without the written consent of the contracting officer. Contractors must flow down these

requirements to noncommercial subcontracts and certain types of commercial subcontracts. Subcontracts at or below the simplified acquisition threshold are excluded from the requirements of paragraph (g) stated above. Paragraph (i) of the clause requires the contractor, after award, to notify the contracting officer if the contractor learns that supplies will be transported by sea and the contractor did not anticipate transporting any supplies by sea at the time of contract award.

The provision at DFARS 252.247-7026, Evaluation Preference for Use of Domestic Shipyards – Applicable to Acquisition of Carriage by Vessel for DoD Cargo in the Coastwise or Noncontiguous Trade, is prescribed at DFARS 247.574(d) for use in solicitations that require a covered vessel for carriage of cargo for DoD. Paragraph (c) of the provision requires the offeror to provide information with its offer, addressing all covered vessels for which overhaul, repair, and maintenance work has been performed during the period covering the current calendar year, up to the date of proposal submission, and the preceding four calendar years.

The clause at DFARS 252.247-7028, Application for U.S. Government Shipping Documentation/Instructions, is prescribed at DFARS 247.207(2) for inclusion in all

solicitations and contracts, including solicitations and contracts using FAR part 12 procedures for the acquisition of commercial products and commercial services, when shipping under Bills of Lading and Domestic Route Order under FOB origin contract, Export Traffic Release regardless of FOB terms, or foreign military sales shipments. Paragraph (a) of the clause requires contractors to complete DD Form 1659, Application for U.S. Government Shipping Documentation/Instructions to request shipping instructions, unless an automated system is available (paragraph (b) of the clause).
