Public Comments: The ACPRCS welcomes written and oral/virtual public comments and asks the public to review and adhere to its Public Comment Guidelines provided at <https://www.ninds.nih.gov/current-research/trans-agency-activities/national-plan-end-parkinsons-act/parkinsons-council>.

Submissions are accepted in writing via email addressed to NationalPDplan@nih.gov. Please include the phrase "public comment" in the subject line as well as the body of the message. A limited number of slots are available for individuals to provide a 2-3-minute oral summary or excerpt of their written comment to the Council during the meeting in person or via videoconference. For those interested in that opportunity, please indicate "Interested in providing oral/virtual comment" in your written submission, along with your name, email, and professional/organizational affiliation so that Council support staff can contact you if a slot is available. *Note that in order to provide oral public comment, requesters must register for the meeting using the instructions above.*

For any given meeting, comment slots will be assigned on a first-come, first-served basis, with priority given to individuals and organizations that have not previously provided comments. This will help ensure that as many individuals and organizations as possible have an opportunity to share comments. Commenters going over their allotted 3-minute slot may be asked to conclude immediately to allow other comments and the rest of the meeting to proceed on schedule.

Public comment submissions received by 5:00 p.m. ET on October 26th will be provided to the Council prior to the meeting for their consideration; all comments received after the deadline will be included in the next Council meeting's materials. The Council is not able to respond individually to comments. All public comments become part of the public record. Attachments of copyrighted publications are not permitted, but web links or citations for any copyrighted works cited may be provided.

Technical issues: If you experience any technical problems with the webcast, please email nationalPDplan@nih.gov.

Disability Accommodations: All ACPRCS Full Council Meetings provide Closed Captioning through www.hhs.gov/live. Individuals whose full participation in the meeting will require special accommodations (e.g., sign language or interpreting services) must submit a request to the Contact Person listed on the notice at least seven (7) business days prior to the meeting. Such requests should include a detailed description of the accommodation needed and a way for the ACPRCS to contact the requester if more information is needed to fill the request.

Meeting schedule subject to change.
